JUNE NEWS

Bob Candage from Edward Jones spoke to the council about investments that might give us more monthly income. He suggested Franklin Income Fund or laddered CDs. The council is discussing this further before making a decision.

\$1,600 has been collected for elevator repairs. The Women’s Fellowship will cover the remainder of \$936. The council will gladly accept any further donations as there will be on going maintenance and future repairs.

On April 28th, Rev. Kay, Jaime Seabrecht, and Betty McGough attended the NWO Association Mtg. in Genoa. Thanks for representing First UCC ladies at this meeting.
